Girl Scouts

Our World United Pen Pal program is an exciting way for girls in Girl Scouts – Western OK, Inc. to connect with each other throughout the year. You can earn the “Our World United Pen Pal” patch with just a few easy steps. First, contact the Service Center to request that you be paired with a Girl Scout Troop of the same age level that lives at least 50 miles from your home. When we have a match for your troop the program department will contact you with the troop you have been paired with along with a contact name, phone number, and mailing address for pen pal letters to be sent. In addition, the Service Center will provide you with some general interest information to help girls get started on your first letter. Once you have written at least 4 times to your pen pal troop during the months of September 2008 and June 2009 you are eligible to purchase your patch! Please take a moment to fill out the bottom portion of this flyer along with some general interests and return it to the Service Center.
